

PHOTOJOURNALISM PROMPT

SUBJECT 1

FEATURE SOMEONE YOU LOOK UP TO.

HOW CAN YOU INTRODUCE US TO THIS PERSON, AND TELL US A STORY ABOUT WHAT THEY MEAN TO YOU?

Your story should be told visual, however you should also write a short essay to go with your photo series. Include memories, maybe you walk us through an event in your life that involved this person. You could include reasons why this person means a lot to you, or what makes this person unique. Tell us a story that lets us know your subject, AND the relationship you have with them. Capture 10 or more photos that tell us about this person. Be creative. These do NOT have to be all photos of your subject.
