

PHOTOJOURNALISM PROMPT

SUBJECT 2

INTERVIEW SOMEONE YOU'VE NEVER SPOKEN TO BEFORE.
HOW CAN YOU INTRODUCE US TO THIS PERSON?

Your story should be told visual, however you should also write a short essay to go with your photo series. Before you begin, watch the Ted video 10 Ways to Have a Better Conversation. Create some questions to ask your subject in case your conversation slows or goes quite. Be prepared to record your conversation using your phone, or other recording devise. You must find someone you **DO NOT KNOW** and **ASK PERMISSION** to interview them. Invite this person to sit with you during lunch or before school. Try your best to genuinely get to know your subject. How can you capture this visually as well? Take a minimum of 7 photos. You must include notes, and a transcript of your conversation.
